

FRUIT AND VEGETABLES

SHELVING SOLUTIONS

2020
WORLD
PREMIERE

ALL FOR SHOPS AND WAREHOUSES

THE VEGETABLE AND FRUIT DISPLAY IS A CALLING CARD FOR YOUR STORE

A compelling fruit and vegetable display grabs shoppers' attention, and proper arrangement of items helps them find the goods they need more easily. A beautiful and colourful section with a modern design and a wide selection of fruit and vegetables drives the shop's turnover, and a clever grocery architecture aids the store staff in efficient stocking and cleaning.

LED lighting
with a specially
selected colour
temperature to
highlight product
freshness

Four display levels
ensure that the
entire display area
is within eyesight

Mobile boxes
– designed with roots, tubers
and bulbs in mind to help
store personnel with efficient
stocking and cleaning

FRESHNESS CAN'T WAIT

bio

Communication system

– an option to prominently display pricing details on the frame around the shelving

Modular shelving
for full freedom of set-up – both along walls and free-standing

The design facilitates air circulation,
allowing products to stay fresh longer

WORLD
PREMIERE

TASTEFUL DESIGN FOR TASTY PRODUCT

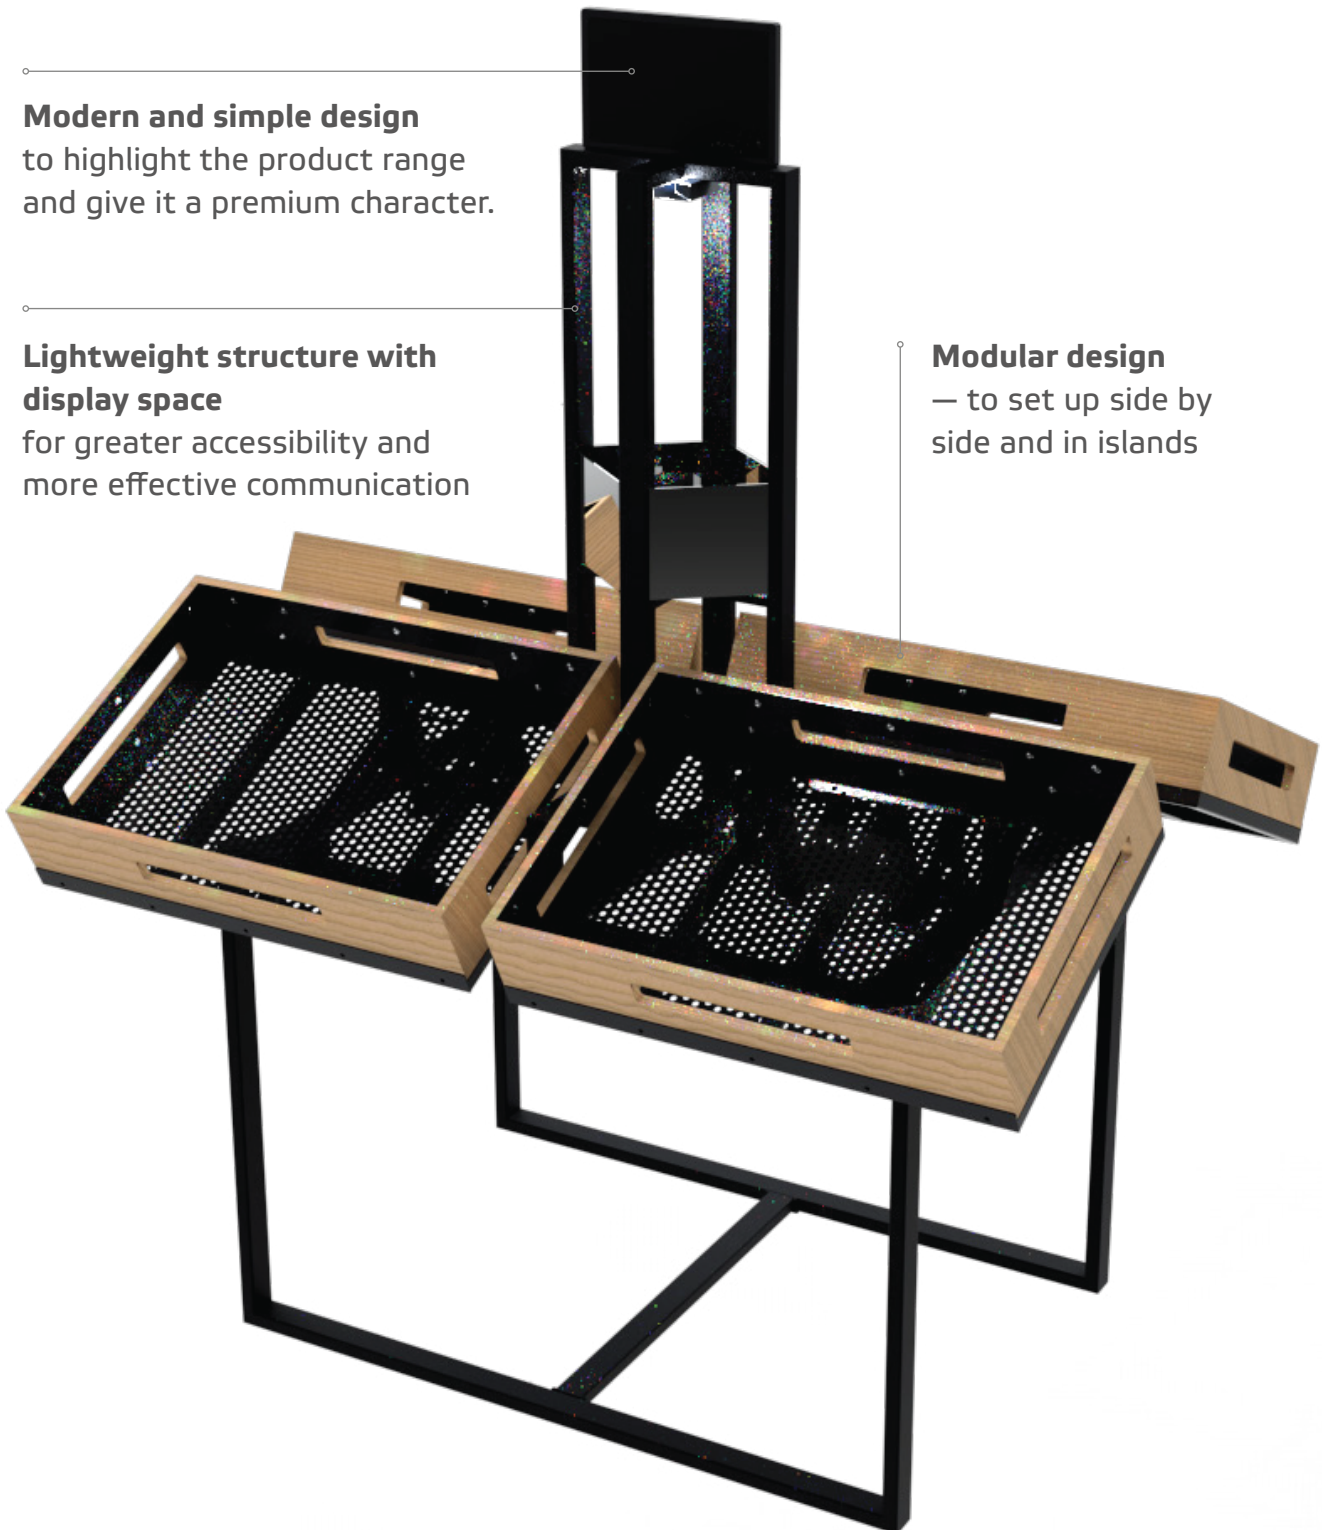

An eye-catching display stand to display various product groups, such as wines, herbs or fruit. Offering additional promotional space, it can be used as a stand for special bargains or to sell seasonal products.

A FORM THAT WORKS IN ANY SETTING

Modern and simple design
to highlight the product range
and give it a premium character.

**Lightweight structure with
display space**
for greater accessibility and
more effective communication

Modular design
— to set up side by
side and in islands
