## MOBILE SELF CHECKOUT

### MULTI-FUNCTION TOUCH-SCREEN

displays targeted advertising content  
(e.g. cross-selling, promotion messages)

- enables cashless payments
- classifies products without codes  
(such as vegetables, bread)

shows purchased items  
and prices in real time

can be integrated  
with the retail chain's  
application

### INTEGRATION WITH A SELECTED PAYMENT GATEWAY

option to enter credit/debit card  
details in order to enable mobile  
payments for purchases.

### HIGH-PERFORMANCE BATTERY

Guarantees 17 hours of continuous operation.

## CONVENIENT PRODUCT SCANNING

The SCANNER integrated with the trolley handle enables seamless EAN and QR code reading.

## CERTIFIED SCALE

Weighing of bulk products, vegetables and fruit, verification of product scanning accuracy.

## SHOPPING BAG

Once your shopping is finished, you simply take the bag off the handles of the scale and take it with you. This solution combines convenience and sustainability: there is no need to buy additional shopping bags or move the items from one place to another.

## LED INDICATORS SHOWING TRANSACTION STATUS

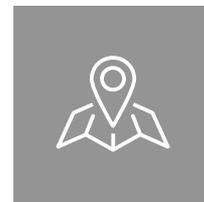

## LED INDICATORS SHOWING TRANSACTION STATUS

Three colour codes to show the trolley status:

- green light – the trolley is free,
- blue light – the trolley is in use,
- red light – purchase authorisation, payment process or staff assistance required.
